FILING DATE:	December 21, 2001	EXAMINER:	Lee
TITLE:	Methods and Systems for Clock Synchronization Across Wireless Networks		

100.00 OF

Dear Sir:

The Assignee of record for the above-referenced patent, Bluesocket, Inc., by virtue of an assignment recorded March 29, 2002, at Reel 012760, Frame 0680, hereby requests that a Certificate of Correction be issued for U.S. Patent No. 7,126,937 under 35 U.S.C. § 255 and 37 C.F.R. § 1.323. The Assignee believes that the errors described below warrant issuance of a Certificate of Correction. Accordingly, the Assignee encloses a PTO Form 1050 to correct the errors in the above-identified patent.

The Assignee requests correction of errors in the Claims section of the above-identified patent. Specifically, in each of claims 1, 21 and 22, the phrase “designate as a top level in a hierarchy of piconets” should be deleted and replaced with the phrase –designate a first piconet as a top level in a hierarchy of piconets--.

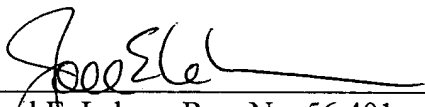

The Assignee respectfully submits that the error in U.S. Patent 7,126,937 is due to Applicants' mistake and encloses the appropriate fee pursuant to 37 § C.F.R. 20, and therefore correctable pursuant to 35 U.S.C. § 255 and 37 C.F.R. § 1.323. Accordingly, the Assignee respectfully requests that the Commissioner issue a Certificate of Correction for U.S. Patent No. 7,126,937 reflecting the correction as it appears on the enclosed PTO Form 1050.

In particular, in the Amendment submitted on March 1, 2006, the Attorney for Applicants failed to incorporate all of the elements of claims originally numbered 3, 4 and 5 into newly numbered claim 1, and all of the elements of originally numbered claims 23, 24 and 25 into newly numbered claims 21 and 22. All claims were allowed in response to that Amendment and Response.

Respectfully submitted,

Date: November 3, 2006
